

# Goals/Objectives

SB 1840 establishes the State 911 Advisory Board with the duty of advising the 911 Office on matters related to the California emergency telephone system.

Authorizes any member of the advisory board to designate a person act in his/her place and stead for all purposes, as though the member were personally present.

Shall meet quarterly in accordance with Bagley-Keene Open Meeting Act.

State 911 shall provide administrative support to the 911 Advisory Board.

# 911 Office Goals/Objectives

Demonstrate leadership on 911 issues

Facilitate 911 enterprise business solutions

Improve communications

Take initiative once problems are identified

Build a collegial environment in the 911 community

Take advantage of skills in OCIO

# 911 Board Goals/Objectives

Recommit to working together

Have meaningful board agendas

Have productive board meetings

Build on existing relationships to accomplish strategic goals (under development)

Use skills of Advisory Board to accomplish goal of re-establishing California as leader in emergency communications
