6250. In enacting this chapter, the Legislature, mindful of the right of individuals to privacy, finds and declares that access to information concerning the conduct of the people's business is a fundamental and necessary right of every person in this state.

6251. This chapter shall be known and may be cited as the California Public Records Act.

6252. As used in this chapter:

(a) "Local agency" includes a county; city, whether general law or chartered; city and county; school district; municipal corporation; district; political subdivision; or any board, commission or agency thereof; other local public agency; or entities that are legislative bodies of a local agency pursuant to subdivisions (c) and (d) of Section 54952.

(b) "Member of the public" means any person, except a member, agent, officer, or employee of a federal, state, or local agency acting within the scope of his or her membership, agency, office, or employment.

(c) "Person" includes any natural person, corporation, partnership, limited liability company, firm, or association.

(d) "Public agency" means any state or local agency.

(e) "Public records" includes any writing containing information relating to the conduct of the public's business prepared, owned, used, or retained by any state or local agency regardless of physical form or characteristics. "Public records" in the custody of, or maintained by, the Governor's office means any writing prepared on or after January 6, 1975.

(f) "State agency" means every state office, officer, department, division, bureau, board, and commission or other state body or agency, except those agencies provided for in Article IV (except Section 20 thereof) or Article VI of the California Constitution.

(g) "Writing" means any handwriting, typewriting, printing, photostating, photographing, photocopying, transmitting by electronic mail or facsimile, and every other means of recording upon any tangible thing any form of communication or representation, including letters, words, pictures, sounds, or symbols, or combinations thereof, and any record thereby created, regardless of the manner in which the record has been stored.

6252.5. Notwithstanding the definition of "member of the public" in Section 6252, an elected member or officer of any state or local agency is entitled to access to public records of that agency on the same basis as any other person. Nothing in this section shall limit the ability of elected members or officers to access public records permitted by law in the administration of their duties.

This section does not constitute a change in, but is declaratory of, existing law.

6252.6. Notwithstanding paragraph (2) of subdivision (a) of Section 827 of the Welfare and Institutions Code, after the death of a foster child who is a minor, the name, date of birth, and date of death of the child shall be subject to disclosure by the county child welfare agency pursuant to this chapter.

6252.7. Notwithstanding Section 6252.5 or any other provision of law, when the members of a legislative body of a local agency are authorized to access a writing of the body or of the agency as permitted by law in the administration of their duties, the local agency, as defined in Section

54951, shall not discriminate between or among any of those members as to which writing or portion thereof is made available or when it is made available.

6253. (a) Public records are open to inspection at all times during the office hours of the state or local agency and every person has a right to inspect any public record, except as hereafter provided. Any reasonably segregable portion of a record shall be available for inspection by any person requesting the record after deletion of the portions that are exempted by law.

(b) Except with respect to public records exempt from disclosure by express provisions of law, each state or local agency, upon a request for a copy of records that reasonably describes an identifiable record or records, shall make the records promptly available to any person upon payment of fees covering direct costs of duplication, or a statutory fee if applicable. Upon request, an exact copy shall be provided unless impracticable to do so.

(c) Each agency, upon a request for a copy of records, shall, within 10 days from receipt of the request, determine whether the request, in whole or in part, seeks copies of disclosable public records in the possession of the agency and shall promptly notify the person making the request of the determination and the reasons therefor. In unusual circumstances, the time limit prescribed in this section may be extended by written notice by the head of the agency or his or her designee to the person making the request, setting forth the reasons for the extension and the date on which a determination is expected to be dispatched. No notice shall specify a date that would result in an extension for more than 14 days. When the agency dispatches the determination, and if the agency determines that the request seeks disclosable public records, the agency shall state the estimated date and time when the records will be made available. As used in this section, "unusual circumstances" means the following, but only to the extent reasonably necessary to the proper processing of the particular request:

(1) The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request.

(2) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records that are demanded in a single request.

(3) The need for consultation, which shall be conducted with all practicable speed, with another agency having substantial interest in the determination of the request or among two or more components of the agency having substantial subject matter interest therein.

(4) The need to compile data, to write programming language or a computer program, or to construct a computer report to extract data.

(d) Nothing in this chapter shall be construed to permit an agency to delay or obstruct the inspection or copying of public records. The notification of denial of any request for records required by Section 6255 shall set forth the names and titles or positions of each person responsible for the denial.

(e) Except as otherwise prohibited by law, a state or local agency may adopt requirements for itself that allow for faster, more efficient, or greater access to records than prescribed by the minimum standards set forth in this chapter.

6253.1. (a) When a member of the public requests to inspect a public record or obtain a copy of a public record, the public agency, in order to assist the member of the public make a focused and effective request that reasonably describes an identifiable record or records, shall do all of the following, to the extent reasonable under the circumstances:

- (2) Describe the information technology and physical location in which the records exist.
- (3) Provide suggestions for overcoming any practical basis for denying access to the records or information sought.

(c) The requirements of subdivision (a) are in addition to any action required of a public agency by Section 6253.

(d) This section shall not apply to a request for public records if any of the following applies:

(c) This section shall apply solely to individuals who provide services under the In-Home Supportive Services Program(Article 7(commencing with Section 12300) of Chapter 3 of Part 3 of Division 9 of the Welfare and Institutions Code) or the Personal Care Services Program pursuant to Section 14132.95 of the Welfare and Institutions Code.

Nothing in this section shall be construed to limit public disclosure of records stored within an information technology system of a public agency that are not otherwise exempt from disclosure pursuant to this chapter or any other provision of law.

(2) An official whose home address or telephone number is made public as a result of a violation of paragraph (1) may bring an action seeking injunctive or declarative relief in any court of competent jurisdiction. If a court finds that a violation has occurred, it may grant injunctive or declarative relief and shall award the official court costs and reasonable attorney's fees. (3) An elected or appointed official may designate in writing the official's employer, a related governmental entity, or any voluntary professional association of similar officials to act, on behalf of that official, as that official's agent with regard to making a written demand pursuant to this section. A written demand made by an agent pursuant to this paragraph shall include a statement describing a threat or fear for the safety of that official or of any person residing at the official's home address.

Nothing in this chapter or any other provision of law shall require the disclosure of records of a health plan that is licensed pursuant to the Knox-Keene Health Care Service Plan Act of 1975(Chapter 2.2(commencing with Section 1340) of Division 2 of the Health and Safety Code) and that is governed by a county board of supervisors, whether paper records, records maintained in the management information system, or records in any other form, that relate to provider rate or payment determinations, allocation or distribution methodologies for provider payments, formulae or calculations for these payments, and contract negotiations with providers of health care for alternative rates for a period of three years after the contract is fully executed.

The transmission of the records, or the information contained therein in an alternative form, to the board of supervisors shall not constitute a waiver of exemption from disclosure, and the records and information once transmitted to the board of supervisors shall be subject to this same exemption. The provisions of this section shall not prevent access to any records by the Joint Legislative Audit Committee in the exercise of its powers pursuant to Article 1(commencing with Section 10500) of Chapter 4 of Part 2 of Division 2 of Title 2. 6254.28. Nothing in this chapter shall be construed to require the disclosure by a filing office of any "official record" if a "public record" version of that record is available pursuant to Section 9526.5 of the Commercial Code.

6254.29. (a) It is the intent of the Legislature that, in order to protect against the risk of identity theft, local agencies shall redact social security numbers from records before disclosing them to the public pursuant to this chapter.

(b) Nothing in this chapter shall be construed to require a local agency to disclose a social security number.

(c) This section shall not apply to records maintained by a county recorder.

6255. (a) The agency shall justify withholding any record by demonstrating that the record in question is exempt under express provisions of this chapter or that on the facts of the particular case the public interest served by not disclosing the record clearly outweighs the public interest served by disclosure of the record.

(b) A response to a written request for inspection or copies of public records that includes a determination that the request is denied, in whole or in part, shall be in writing.

6257.5. This chapter does not allow limitations on access to a public record based upon the purpose for which the record is being requested, if the record is otherwise subject to disclosure.

6258. Any person may institute proceedings for injunctive or declarative relief or writ of mandate in any court of competent jurisdiction to enforce his or her right to inspect or to receive a copy of any public record or class of public records under this chapter. The times for responsive pleadings and for hearings in these proceedings shall be set by the judge of the court with the object of securing a decision as to these matters at the earliest possible time.

6259. (a) Whenever it is made to appear by verified petition to the superior court of the county where the records or some part thereof are situated that certain public records are being improperly withheld from a member of the public, the court shall order the officer or person charged with withholding the records to disclose the public record or show cause why he or she should not do so. The court shall decide the case after examining the record in camera, if permitted by subdivision (b) of Section 915 of the Evidence Code, papers filed by the parties and any oral argument and additional evidence as the court may allow.

(b) If the court finds that the public official's decision to refuse disclosure is not justified under Section6254 or6255, he or she shall order the public official to make the record public. If the judge determines that the public official was justified in refusing to make the record public, he or

she shall return the item to the public official without disclosing its content with an order supporting the decision refusing disclosure.

(c) In an action filed on or after January 1, 1991, an order of the court, either directing disclosure by a public official or supporting the decision of the public official refusing disclosure, is not a final judgment or order within the meaning of Section 904.1 of the Code of Civil Procedure from which an appeal may be taken, but shall be immediately reviewable by petition to the appellate court for the issuance of an extraordinary writ. Upon entry of any order pursuant to this section, a party shall, in order to obtain review of the order, file a petition within 20 days after service upon him or her of a written notice of entry of the order, or within such further time not exceeding an additional 20 days as the trial court may for good cause allow. If the notice is served by mail, the period within which to file the petition shall be increased by five days. A stay of an order or judgment shall not be granted unless the petitioning party demonstrates it will otherwise sustain irreparable damage and probable success on the merits. Any person who fails to obey the order of the court shall be cited to show cause why he or she is not in contempt of court.

(d) The court shall award court costs and reasonable attorney fees to the plaintiff should the plaintiff prevail in litigation filed pursuant to this section. The costs and fees shall be paid by the public agency of which the public official is a member or employee and shall not become a personal liability of the public official. If the court finds that the plaintiff's case is clearly frivolous, it shall award court costs and reasonable attorney fees to the public agency.

6260. The provisions of this chapter shall not be deemed in any manner to affect the status of judicial records as it existed immediately prior to the effective date of this section, nor to affect the rights of litigants, including parties to administrative proceedings, under the laws of discovery of this state, nor to limit or impair any rights of discovery in a criminal case.

6261. Notwithstanding Section 6252, an itemized statement of the total expenditures and disbursement of any agency provided for in Article VI of the California Constitution shall be open for inspection.

6262. The exemption of records of complaints to, or investigations conducted by, any state or local agency for licensing purposes under subdivision (f) of Section 6254 shall not apply when a request for inspection of such records is made by a district attorney.

6263. A state or local agency shall allow an inspection or copying of any public record or class of public records not exempted by this chapter when requested by a district attorney.

6264. The district attorney may petition a court of competent jurisdiction to require a state or local agency to allow him to inspect or receive a copy of any public record or class of public records not exempted by this chapter when the agency fails or refuses to allow inspection or copying within 10 working days of a request. The court may require a public agency to permit inspection or copying by the district attorney unless the public interest or good cause in withholding such records clearly outweighs the public interest in disclosure.

6265. Disclosure of records to a district attorney under the provisions of this chapter shall effect no change in the status of the records under any other provision of law.

6267. All registration and circulation records of any library which is in whole or in part supported by public funds shall remain confidential and shall not be disclosed to any person, local agency, or state agency except as follows:

(a) By a person acting within the scope of his or her duties within the administration of the library.

(b) By a person authorized, in writing, by the individual to whom the records pertain, to inspect the records.

(c) By order of the appropriate superior court.

As used in this section, the term "registration records" includes any information which a library requires a patron to provide in order to become eligible to borrow books and other materials, and the term "circulation records" includes any information which identifies the patrons borrowing particular books and other material.

This section shall not apply to statistical reports of registration and circulation nor to records of fines collected by the library.

6268. Public records, as defined in Section 6252, in the custody or control of the Governor when he or she leaves office, either voluntarily or involuntarily, shall, as soon as is practical, be transferred to the State Archives. Notwithstanding any other provision of law, the Governor, by written instrument, the terms of which shall be made public, may restrict public access to any of the transferred public records, or any other writings he or she may transfer, which have not already been made accessible to the public. With respect to public records, public access, as otherwise provided for by this chapter, shall not be restricted for a period greater than 50 years or the death of the Governor, whichever is later, nor shall there be any restriction whatsoever with respect to enrolled bill files, press releases, speech files, or writings relating to applications for clemency or extradition in cases which have been closed for a period of at least 25 years. Subject to any restrictions permitted by this section, the Secretary of State, as custodian of the State Archives, shall make all such public records and other writings available to the public as otherwise provided for in this chapter.

Except as to enrolled bill files, press releases, speech files, or writings relating to applications for clemency or extradition, this section shall not apply to public records or other writings in the direct custody or control of any Governor who held office between 1974 and 1988 at the time of leaving office, except to the extent that that Governor may voluntarily transfer those records or other writings to the State Archives.

Notwithstanding any other provision of law, the public records and other writings of any Governor who held office between 1974 and 1988 may be transferred to any educational or research institution in California provided that with respect to public records, public access, as otherwise provided for by this chapter, shall not be restricted for a period greater than 50 years or the death of the Governor, whichever is later. No records or writings may be transferred pursuant to this paragraph unless the institution receiving them agrees to maintain, and does maintain, the materials according to commonly accepted archival standards. No public records transferred shall be destroyed by that institution without first receiving the written approval of the Secretary of State, as custodian of the State Archives, who may require that the records be placed in the State Archives rather than being destroyed. An institution receiving those records or writings shall allow the Secretary of State, as custodian of the State Archives, to copy, at state expense, and to make available to the public, any and all public records, and inventories, indices, or finding aids relating to those records, which the institution makes available to the public generally. Copies of those records in the custody of the State Archives shall be given the same legal effect as is given to the originals.

6270. (a) Notwithstanding any other provision of law, no state or local agency shall sell, exchange, furnish, or otherwise provide a public record subject to disclosure pursuant to this chapter to a private entity in a manner that prevents a state or local agency from providing the record directly pursuant to this chapter. Nothing in this section requires a state or local agency

to use the State Printer to print public records. Nothing in this section prevents the destruction of records pursuant to law.

(b) This section shall not apply to contracts entered into prior to January 1, 1996, between the County of Santa Clara and a private entity for the provision of public records subject to disclosure under this chapter.
